

Simply Brilliant - Braemar at Walkkill

"It's a facility with beautiful views from every window, a spacious balcony to enjoy the outdoors, and every room made me feel like I was home." - A Guest of Braemar On February 26th Braemar at Walkkill invited guests to visit their new facility. All were greeted by friendly staff and the warmth of a grand fireplace. A delicious assortment of foods awaited everyone in the dining room followed by a tour of the facility. Senior Gazette Sales Representative, Margaret O'Hagan commented during her tour, "I'm ready to move right in!" Tour guide and Administer, Halina McLean, informed Margaret that she'd have to wait a few years until she turned fifty.

Braemar of Walkkill accommodates 200 residents, offering a variety of modern amenities. A beautiful private dining room awaits reservations by residents and their guests. Seniors can enjoy a glass of wine in Braemar's pub or enjoy a healthy snack at the café. There is a general store which will be run and stocked by volunteer residents. Braemar has a 24 bed Memory Care Unit staffed with a nurse twenty four hours a day, seven days a week. In addition, they offer a Wellness Center, occupational, physical and speech therapy. A wonderful place to all under one roof.
