

BRAEMAR LIVING AT MEDFORD-VISITOR SAFETY PLAN (VSP)

Revised 3.26.21

Indoor Visitation – General Rules

- Visitation is by **appointment only** and all visitors must pre-register. Contact Tammy Murphy at tmurphy@braemarliving.com or at (631) 947-2304.
- Visitation will take place six days per week: Hours of visitation are as follows: Monday to Saturday 10 am to 12pm and 2pm to 4pm
- Visits will be limited to 20 minutes in duration. Visitors must be prompt otherwise the visit will be rescheduled.
- All visits must be pre-scheduled. Visitors will be assigned a time to arrive at the front of the building under the porte cochere
- Visitors will be met at their car by a staff member for the screening process
- Visitors without a pre-scheduled appointment will be asked to leave the facility grounds.
- Visitors under the age of 16 must be accompanied by an adult 18 years or older.
- Before accessing the visitation area, located in the lobby, visitors will be screened for signs and symptoms of COVID-19. Visitation will be refused if an individual exhibits any COVID-19 symptoms or does not satisfy the screening questions.
- Screening shall consist of both temperature checks and screening questions to assess potential exposure to COVID-19. Questions will address international travel and quarantine. Travel to other states designated under the Commissioner's travel advisory, including likelihood of exposure in the community will be asked through 3/31/21.
- The following documentation must be provided by each visitor to the assisted living facility: (1) first and last name of the visitor; (2) physical (street) address; (3) daytime and evening telephone number and (4) date and time of visit and email address.
- A maximum of two residents will be assigned to each visitation time slot and only **two** visitors will be allowed per resident at any one time.
- No more than 10 people in a designated visitation area at a time. This includes, resident, visitors and staff for monitoring.
- Food or drink is not permitted during the visit.
- Physical contact between resident and visitor(s) is not permitted.
- Visitors must bring and wear a **surgical** facemask which covers both the nose and mouth at all times when on the premises. In the event a visitor does not have a facemask, one will be provided by the facility.
- Visitors must maintain social distancing of six feet or more.
- The facility will provide alcohol-based hand sanitizer, consisting of at least 60 percent (60%) alcohol, to residents, visitors and representatives of the

long-term care ombudsman prior to visiting the residents. Rub hands together using friction.

- Disinfecting of tables, chairs and surfaces will be conducted after each resident visit, using EPA- approved disinfectant.
- Braemar Living's VSP is posted on the website and broadcasted via email.
- For families who do not have email access, a printed copy will be mailed
- A staff member will be assigned to monitor the visitation process. If any visitor fails to adhere to the protocols set forth in the VSP, the visit will be terminated, and the visitor will be prohibited from visiting.

Outdoor Visitation (weather permitting)

- Visitation will only be permitted outside on the patio, weather permitting.
- Visitation is by **appointment only** and all visitors must pre-register. Contact Tammy Murphy at tmurphy@braemarliving.com or 631-947-2304.
- Visitation will take place six days per week: Hours of visitation are as follows: Monday to Saturday 10 am to 12pm and 2pm to 4pm
- Visits will be limited to 20 minutes in duration. Visitors must be prompt otherwise the visit will be rescheduled.
- All visits must be pre-scheduled. Visitors will be assigned a time to arrive at the side patio, located on the left (north) side of the building.
- Visitors without a pre-scheduled appointment will be asked to leave the facility grounds.
- Visitors under the age of 16 must be accompanied by an adult 18 years or older.
- Before accessing the patio, visitors will be screened for signs and symptoms of COVID-19. Visitation will be refused if an individual exhibits any COVID-19 symptoms or does not satisfy the screening questions.
- Screening shall consist of both temperature checks and screening questions to assess potential exposure to COVID-19. Questions will address, international travel and quarantine. Travel to other states designated under the Commissioner's travel advisory, including likelihood of exposure in the community will be asked through 3/31/21.
- The following documentation must be provided by each visitor to the assisted living facility: (1) first and last name of the visitor; (2) physical (street) address; (3) daytime and evening telephone number and (4) date and time of visit and email address.
- A maximum of three residents will be assigned to each visitation time slot and only **two** visitors will be allowed per resident at any one time. No more than 12 people will be on the patio at any one time. This includes, residents, visitors and staff for monitoring
- Food or drink is not permitted during the visit.
- Physical contact between resident and visitor(s) is not permitted.

BRAEMAR LIVING AT MEDFORD-VISITOR SAFETY PLAN (VSP)

Revised 3.26.21

- Visitors must bring and wear a **surgical** facemask which covers both the nose and mouth at all times when on the premises. In the event a visitor does not have a facemask, one will be provided by the facility.
- Visitors must maintain social distancing of six feet or more.
- The facility will provide alcohol-based hand sanitizer, consisting of at least 60 percent (60%) alcohol, to residents, visitors and representatives of the long-term care ombudsman prior to visiting the residents. Rub hands together using friction.
- Disinfecting of tables, chairs and surfaces will be conducted after each resident visit, using EPA- approved disinfectant.
- Braemar Living's formal VSP is posted on the website and broadcasted via email.
- For families who do not have email access, a printed copy will be mailed
- A staff member will be assigned to monitor the visitation process. If any visitor fails to adhere to the protocols set forth in the VSP, the visit will be terminated and the visitor will be prohibited from visiting for the duration of the COVID-19 state declared public health emergency.

COVID Testing Requirement:

To continue best efforts to mitigate potential infiltration of COVID-19 into the facility, a COVID testing protocol is being implemented as part of the VSP. All visitors will be required to comply with one of the following options:

Option 1:

- If the resident has received the complete dose of the COVID vaccine and the visitor(s) have received a complete dose of the COVID vaccine and it has been 14 days from the second dose, indoor and outdoor visitation is permitted and a negative COVID test is **not** required.
- If the resident has received the complete dose of the COVID vaccine and the visitor(s) have not been vaccinated, indoor visitation is permitted as long as the visitor(s) have received a negative COVID test within 72 hours of scheduled visit. Outdoor visitation is permitted, and a negative test is **not** required.
- If a resident has not been vaccinated and the visitor(s) have been vaccinated, indoor and outdoor visitation **is** permitted, and a negative COVID test **not** required.
- If the resident has not been vaccinated and the visitor has not been vaccinated, indoor and outdoor visitation is permitted. The visitor **is** required to have a negative COVID test within 72 hours of scheduled visit.
- If a visitor refuses to provide a COVID test or proof of vaccination, visitation may only take place via a window visit.

BRAEMAR LIVING AT MEDFORD-VISITOR SAFETY PLAN (VSP)
Revised 3.26.21

If a negative COVID test is provided from the visitor older than 72 hours, visitor will be denied visitation.

After verifying proof of negative COVID test and/or COVID vaccine and completion of screening:

Indoor Visitation:

- Entrance to building will be the front entrance of building
- Visitation will be held in the lobby

Outdoor Visitation:

- Entrance will be on the side patio, located on the left (north) side of the building
- If any visitor is exhibiting any signs or symptoms of COVID-19, they will be denied visitation

Visitation will not be paused in the event there is a confirmed case of COVID-19.

- If any resident is currently COVID-19 positive (persistently positive, or exhibiting signs or symptoms of COVID-19 or in a 14-day quarantine or isolation period, the resident will be ineligible for visitation
- In the event a resident is ineligible for visitation, Facetime, Zoom and Keeping Connected will be offered as an alternative to in person visitation

The maximum number of visitors that can safely be accommodated between indoor and outdoor visitation is 25.

In all cases visitors must comply with general rules of visitation stated above.
