- Visitors must maintain social distancing of six feet or more
- The facility will provide alcohol-based hand sanitizer, consisting of at least 60 percent (60%) alcohol, to residents, visitors and representatives of the long-term care ombudsman prior to visiting the residents. Rub hands together using friction

BRAEMAR LIVING AT MEDFORD-VISITOR SAFETY PLAN (VSP)

Effective June 1, 2021

- Disinfecting of tables, chairs and surfaces will be conducted after each resident visit, using EPA- approved disinfectant
- A staff member will be assigned to monitor the visitation process. If any visitor fails to adhere to the protocols set forth in the VSP, the visit will be terminated, and the visitor will be prohibited from visiting for the duration of the COVID-19 state declared public health emergency

COVID Testing Requirement:

To continue best efforts to mitigate potential infiltration of COVID-19 into the facility, a COVID testing protocol is being implemented as part of the VSP. All visitors will be required to comply with one of the following options:

- If the resident has received the complete dose of the COVID vaccine and the visitor(s) have received a complete dose of the COVID vaccine and it has been 14 days from the second dose, in-room, indoor and outdoor visitation is permitted and a negative COVID test is **not** required.
- If the resident has received the complete dose of the COVID vaccine and the visitor(s) have not been vaccinated, indoor is permitted as long as the visitor(s) have received a negative COVID test within 72 hours of scheduled visit. Outdoor visitation is permitted, and a negative test is **not** required. In-room visitation is **not** permitted.
- If a resident has not been vaccinated and the visitor(s) have been vaccinated, indoor and outdoor visitation **is** permitted, and a negative test is **not** required. In-room visitation is **not** permitted.
- If the resident has not been vaccinated and the visitor has not been vaccinated, indoor and outdoor visitation is permitted. The visitor **is** required to have a negative COVID test within 72 hours of scheduled visit. In-room visitation is **not** permitted.
- If a visitor refuses to provide a COVID test or proof of vaccination, visitation may only take place via window visit.

If a negative COVID test is provided from the visitor older than 72 hours, visitor will be denied visitation.

After verifying proof of negative COVID test and/or COVID vaccine and completion of screening:

In-room visitation:

- Entrance to building will be the front entrance of building

Indoor Visitation:

- Entrance to building will be the front entrance of building

BRAEMAR LIVING AT MEDFORD-VISITOR SAFETY PLAN (VSP)
Effective June 1, 2021

- Visitation will be held in the lobby
- Outdoor Visitation:
- Entrance will be on the side patio, located on the left (north) side of the building
 - If any visitor is exhibiting any signs or symptoms of COVID-19, they will be denied visitation

Visitation will not be paused in the event there is a confirmed case of COVID-19.

Ineligible Visitation

- If any resident is currently COVID-19 positive (persistently positive, or exhibiting signs or symptoms of COVID-19 or in a 14-day quarantine or isolation period, the resident will be ineligible for visitation
- In the event a resident is ineligible for visitation, Facetime, Zoom and Keeping Connected will be offered as an alternative to in person visitation

The maximum number of visitors that can safely be accommodated between indoor and outdoor visitation is 25.

In all cases visitors must comply with general rules of visitation stated above.
